SMART TIMETABLE OCR ENGINE

Weekly Timetable & AI Self-Study Planner

Upload your college timetable. OCR extracts class slots, identifies free time, and generates a conflict-free AI study schedule. **Colored = class occupied** · **Plain = free self-study**

Student: Pallavi Ojha (25BAI10352) · Computer Science Semester 3

Smart Timetable OCR Scanner

Upload Timetable Image or PDF

Tesseract OCR - supports JPG, PNG, WEBP, PDF

• **Low Attendance: Computer Science** •

Computer Science attendance is 70% — below the 75% minimum. Attend next 1 class(es) immediately to avoid debarment.

Attendance

2h ago

• **Attendance Alert: Data Structures** •

Data Structures attendance is 78%. You are close to the 75% threshold — stay consistent!

Attendance

2h ago

• **AI Study Plan Optimized** •

Your AI study plan has been generated for 4 subjects. Open the Study Planner to view priority-sorted sessions and smart time slots.

AI

2h ago

• **Today: 1 Class Scheduled** •

Scheduled today: Mathematics @ 11:00. Mark attendance after each class.
